

TERM 2 NEWSLETTER

How are we already halfway through the year? Although we cannot believe time has flown by, we have been enjoying every lesson with our students and would like to say a big thank you to those that continue with us during Term 2 and 3 when it can get a little colder outside.

Despite it being cold outside, it continues to be toasty warm inside with our pool remaining at approximately 32°C with an air temperature to match! If you need an extra element to warm your insides, come grab a coffee, hot chocolate or even a chai. Or perhaps you are after something as cold as the outdoors, come grab a scoop (or two) of your favourite flavour of gelato.

SUPERSTARS OF THE TERM !

We have had so many amazing swimmers this term and we love to share their achievements with everyone! Thank you to the following super stars for your effort, your enthusiasm and remembering a positive attitude during your swimming lessons:

WHAT TO BRING FOR EACH LEVEL ON WATER SAFETY WEEK

- **Toddlers** – Parents to wear a t-shirt or rashie for their class
- **Beginners to Level 2** – Wear light, short-sleeved clothes (old PJs work really well)
- **Level 3 & 4** – We recommend students to wear long sleeved top and short bottoms
- **Pre-Squad & Squad** – Wear long sleeved top and bottoms and socks.

**Goggles are not required this week, please leave them at home or in your bag to avoid misplacing them. Also note, bathers must be worn underneath your clothes.

SWIMMING CARNIVAL 2024

Due to the overwhelming success of 2023's Swimming Carnival, this year we are back! Just as we did last year, we will have a sausage sizzle, gelato, drinks, races, and face painting.

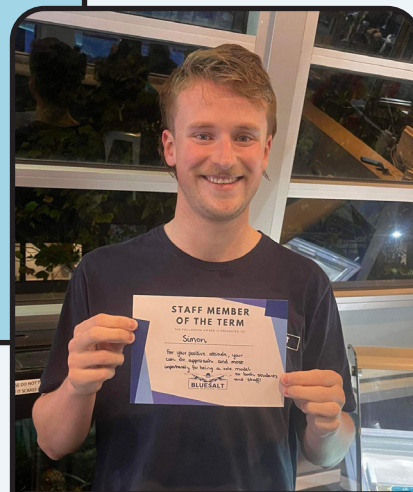

We would love you all to be involved, so please fill in the entry form (accessible only via the office), and hopefully splash you there!

Date to be confirmed soon !

STAFF MEMBER OF THE TERM

We have been so happy to have Simon back after his travels and study abroad and couldn't be more grateful. His positive attitude and can-do approach to anything thrown at him lightens the entire centre.

He continually shows his passion for teaching and swimming and has become a role model for not only students but staff as well.

SIMON

TEACHER SPOTLIGHT:

Grace just loves being a swimming teacher! Not only has she been teaching with us for 7 years, but she also learnt to swim here and Gary used to be her Squad Coach. Grace is a big supporter of trying your best in each and every lesson and loves when students give it their all.

Her favourite stroke is butterfly and enjoys students developing this stroke throughout the higher levels. However, Grace's favourite week of all at swimming is endurance week, if only this was every week!

Currently Grace is completing her Bachelor of Science and is excited to be in the homestretch of this, so she can have a break from study to travel and hopefully be around to see her students more. She will be travelling to Greece and Italy very soon, so if you don't see her around for a couple of weeks, just know that she will be back very soon!

If you are thinking about getting some ice-cream from our office, check out Grace's favourite flavour Rainbow Skittles or TimTam.
