

SUMMER IS HERE

Summer is here and we couldn't be more excited to get out and about to enjoy the warmer weather! During summer, the team at Bluesalt follow the recommendations provided by the Cancer Council in their SunSmart steps:

- **SLIP on covering clothing**
- **SLOP on SPF50 or SPF+ broad spectrum, water-resistant sunscreen**
- **SLAP on a hat**
- **SEEK shade**
- **SLIDE on some sunglasses**

An amazing way to keep cool this summer – Sunset Scoops! If you enjoy our gelato at the pool, why not check out even more flavours at our shop in Edithvale. You'll be sure to spot either Michael or Ryan there scooping away.

Again, we are sending out a massive thank you to everyone for continuing to support us throughout this year, and a thank you to those who have just joined us. Seeing the progress, enjoyment and general happiness that every swimmer experiences in our swim school makes coming to work so enjoyable and worthwhile.

Being safe around the water includes protecting yourself from harmful UV rays, and following rules around the pool, lake, river and beach. These include:

- **Watch around the water**
- **Swim between the red and yellow flags**
- **Keep an eye out for signs and notices about local hazards**
- **Children under 5 years of age should always be within arm's reach around the water**

TEACHER SPOTLIGHT GARY

Who are we without Gary!?! Gary has been with Bluesalt Swim Schools for over 20 years, and can do it all, from our toddler classes to our highest squad swimmers. Although Gary devotes much of his time to swimming, he loves to spend his free time supporting St Kilda Football Club (hoping for a better season next year!), going for a ride on his bike or enjoying a walk. As a lover of the water he can also be known to drive along the coast and enjoy one of the many beaches.

Gary has achieved a great deal throughout his career, and this was recognized in 2008, when he was awarded Victorian AUJTSWIM Teacher of Swimming and Water Safety. With his intensive squad plans, and thorough correction we know he has had a big impact on a lot of swimmer's lives. Currently Gary has a tie between his two favourite strokes, freestyle and breaststroke.

Finally, we wanted to say congratulations to Gary, who will be getting married in 2026!
